

## Lets Talk About....by Carol Perkins

Witty, humorous and nostalgic true stories by author and columnist Carol Perkins that leaves one turning the pages to follow her next adventures, antics or mishaps. Read along as she reveals outrageously funny events from parasailing and falling into the ocean trying to board a banana boat to being stuck between floors on a elevator with the door open enough for her to crawl out. She will take you to the slopes for her first and only skiing adventure and tell of being stranded on the mountain for hours unable to get herself up to skating on sidewalks with skates that required a key. A quick, delightful read for the person who needs a lift. You will want to share this with your friends.
