

Just Jesus: The Greatest Things Ever Said About the Greatest Man Who Ever Lived [REVISED & EXPANDED]

All New Format with Over 100 New Entries! Your heart will almost burst with joy and praise as you read what some of the most important people of the past and present, most saved, some even lost, have said about the most important Person who ever lived. I believe that your spirit will soar to higher heights in praise of the One who died for us as you read these eloquent and powerful quotations. The mighty words contained in this book are about the greatest figure who ever graced the earth -- yet our Saviour and Friend -- Jesus -- Just Jesus! HERE ARE JUST A FEW OF SOME OF THE POWERFUL STATEMENTS IN THIS BOOK: At the end of the day, only one thing matters, and that's Jesus, Just Jesus, and nothing else. Jesus of Nazareth, without money and arms, conquered more millions than Alexander the Great, Caesar, Mohammed, and Napoleon; without science and learning, He shed more light on things human and divine than all philosophers and scholars combined; without the eloquence of school, He spoke such words of life as were never spoken before or since, and produced effects which lie beyond the reach of orator or poet; without writing a single line, He set more pens in motion, and furnished themes for more sermons, orations, discussions, learned volumes, works of art, and songs of praise than the whole army of great men of ancient and modern times. --Philip Schaff As the centuries pass, the evidence is accumulating that, measured by His effect on history, Jesus is the most influential life ever lived on this planet. --Kenneth Scott Latourette I have a great need for Christ; I have a great Christ for my need. --Charles H. Spurgeon Jesus painted no pictures. Yet some of the greatest paintings of Raphael, Michelangelo and Leonardo Da Vinci received their inspiration from Him. Jesus wrote no poetry; but Dante, Milton, and scores of the worlds greatest poets were

inspired by Him. Jesus composed no music; but Haydn, Handel, Beethoven, Bach, and Mendelssohn reached their highest perfection in the symphonies and oratorios they composed in His praise. Every sphere of human greatness has been influenced by this humble carpenter of Nazareth! --Henry Ward Beecher I marvel that whereas the ambitious dreams of myself, Caesar, and Alexander should have vanished into thin air, a Judean peasant--Jesus--should be able to stretch His hands across the centuries and control the destinies of men and nations. --Napoleon Bonaparte
