

## Echo of Chaos

Special Agents Rob Karlton and Stevie Winters are not what anyone would call friends. When they are assigned to locate not just the several million dollars worth of valuables that have been stolen from Councilman Joseph DeGlausers home but his missing ex-wife as well, these two agents are forced to put aside their differences. They must try and weed their way through the many enemies in the Councilmans sordid career while the rest of the violent crimes unit tries to solve the murder of two of DeGlausers peers. Did Councilman DeGlauser stage the break-in to get rid of his leech of an ex-wife? Are the murders, disappearance, and burglary connected? Was this the work of a professional or someone angry with the politicians ultra-conservative views? Join the Cleveland FBI's Violent Crimes Unit as they attempt to unravel the hidden agendas of those involved as they wind through the seedy underbelly of the local political scene.
