

## Mystery At the Covington Museum: Coliseum to the Stars (The Adventures of Jamie the Kid Book 3)

Jamie is embarking on another museum adventure in one of the most dangerous and exciting places in history, the Roman Empire! And when a beautiful woman with flowing gowns of silk and wealth beyond imagination takes her in, Jamie thinks she's found the paradise she's always dreamed of. But as time goes on, she begins to see that people aren't always who they portray themselves to be. Things go from bad to worse when a young girl from the streets whom she has befriended goes missing. When the wealthy woman puts a price on her head, it's up to Jamie to find her in time and save her from the clutches of the Colosseum, even if it means risking her own life!
