

Anecdotas Medicas (Spanish Edition)

En las consultas de los médicos suelen darse situaciones divertidas o impensables en que la vida real supera la ficción. La mayor parte estimula nuestra capacidad de asombro con una sonrisa, lo que en los tiempos que corren no es poco. Este libro, que surge de las entrañas de la actividad médica diaria, pretende aportar un poco de alegría a nuestras vidas, facilitar esas sonrisas que tanto nos cuestan, y demostrar que, incluso en la enfermedad, hay esperanza y buen humor. / In the medical offices sometimes we find different situations, some of them funny, or unthinkable in which real life exceeds imagination or fiction. Most of them stimulates our capacity of astonishment with a smile. This book comes from the inner self of medical daily activities and wants to contribute with a little bit of joy to our lives, to ease the smiling and to demonstrate that in sickness we also have hope and happiness..
