

The Crasher

Ginny Walker...shes enormously talented, runway-model slim, and struggling to be noticed as a fashion designer in New York City. Crashing her first party was an accident. After that, helped by a racy, handsome journalist with an agenda of his own, Ginny thrives on the thrill of slipping uninvited into fabulous events. Until her dream becomes a nightmare...Crashing a party in her most stunning design ever, Ginny witnesses a vicious murder. She is sure the assailant recognizes her, and flees in panic, leaving behind her spectacular velvet cloak....Now Ginny is the mystery witness the police cant find. Shes afraid she knows too much, shes being watched, and she needs someone to help her in this dangerous world of high fashion and lies. The wrong choice will spell her destruction; the right one will give her a last, breathtaking chance to survive.
