

The Clare War Dead

The Clare War Dead is a comprehensive record of those men from County Clare who died during the Great War, and is the next instalment in this prolific authors series on the subject. His tireless research has been undertaken to honour those who died in service, and to shine a light on an aspect of Irish history which has for too long gone unexamined and unrecognised. Such a list, combined as it is with intricate data and previously unpublished correspondence and photographs, is an essential addition to any local historian or military enthusiasts bookshelf.
