

## The Inner Life of George Eliot (Classic Reprint)

Excerpt from The Inner Life of George Eliot George Eliot can be approached as a Teacher or an Artist. More strictly speaking, she must be approached as an Artist-Teacher. The following study is an attempt to trace her mental and spiritual development from her earliest years to the end. The religious problem with which she struggled was, in her day, confined to the Specialists who, like her, were in advance of their time. Now, thirty years after her death, the great religious question has been thrust on us all. Hence one must see her in a different perspective to that in which she was seen by her contemporaries, and by her biographers who were also her contemporaries. George Eliot was fundamentally a teacher and a moralist - not a world teacher like Christ, St. Paul, Plato or St. Thomas, but a teacher for those transitional times when one age is passing away, and the new age has not yet dawned. Such times are full of pain and perplexity, and must be endured in patient suspense. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
