

Highlights

Five touch points in the life and love of Annelise Sievert. These stories highlight the challenges and the changing atmosphere of the time. Why would blondes have more fun? What do Tom boys grow up to be? How do immigrants from the cold lands in Europe cope with the heat of a tropical climate? How brave do you need to be to leave the comfort of your surroundings and take yourself and three children to an unknown future? How do you face the trials of life? These are all topics that get touched though not explained. They are taken as the fact of life.
