

Mom from Down Under

In *Mom from Down Under: A Book of Answered Prayer*, Margaret Brittingham recounts stories from her mother's childhood in Australia. Her mother, Nancy, travels from England to Australia and eventually to America. She has run-ins with kangaroos, races horses in the outback, and makes sailing ships out of barrels and old shirts. Despite harsh conditions and occasional loneliness, Nancy's childhood is filled with many unique adventures, blessings, and answered prayers. Each story is followed by scriptures and questions that allow readers to reflect on prayers that have been answered in their own lives. *Mom from Down Under* is an entertaining and inspirational read for all Christians.
