

The Founder of Opus Dei: The Life of Josemaria Escriva : The Early Years

The Early Years This is the first volume of three about the life of Saint Josemaria Escriva. He has been hailed as a pioneer in helping ordinary Christians find God in their daily lives. Moved as a teenager by footprints of a barefoot Carmelite priest in the snow, Josemaria felt called to greater generosity in the priesthood and in his struggles to build up Opus Dei during the outbreak of the Spanish Civil War. This latest biography is the most extensively researched work on his family history, childhood, adolescence, and young adulthood. The reader benefits from an enormous wealth of details in extensive notes and appendices. Accompanying them are excerpts from his correspondence, spiritual writings and testimonials from dozens of friends and acquaintances. The remarkable story continues in volumes II and III.
