

## Within the Temples: Bloodletting (The Thin Line of Good and Evil) (Volume 2)

Detective Sergeant August Gus De Noux proposes that priorities rule Life. People base their choices upon those orders of importance. He knows that Life presents him with his next choice. How will he decide? What will result from his choice? His detective partner, Dante Nuzzollilo, faces his next consideration, based upon Gus choice. Dante confronts the fork in the road. BOOK I Join Gus, Dante and their new partner, Detective Marianela Laconcha, in solving the Dapper Dan serial murder case. When you think that all is done, Life offers not just the next choice. It slams it in your face. BOOK II Life throws a Crescent City wrench into the NOPD. Radical Islamic extremists strike The City That Care Forgot: The Big Easy. Spies, terrorists, moles mixed with ancient battles between religions, cultures. Its a bloody conflict that the NOPD Homicide Task Force was ill-prepared to fight..., but, whos stopping them?
