

The Bright Side of Darkness

What is a family? Rick Myers is a despondent seventeen-year-old who just lost his parents in a car wreck. His family is now the four teenage buddies he's grown up with in a run-down apartment building. Fast with their fists, flip with their mouths, and loyal to a fault, the crew is all he has. At least he thinks so until he meets Daisy, an intelligent, independent, self-assured blind girl. Her guts in a world where she's often painfully vulnerable intrigue Rick, and her hopeful outlook inspires him to begin believing in himself. But when the dark side of Daisy's past catches up with her, tragedy scatters the crew and severely tests Rick's resolve to build his promising future. Fortunately, his life is changed by a couple with a pay-it-forward attitude, forged out of their personal struggle with grief and loss. Their support makes all the difference to Rick and eventually to the ones he holds most dear as they face their own challenges. The Bright Side of Darkness is a story of redemption and the ultimate victory that comes from the determination of the human spirit.
