

Vladika The Life of Antony Khrapovitsky

The great Russian Orthodox theologian and teacher, Antony Khrapovitsky is one of the most significant Orthodox leaders of the 20th Century. Both Saints Justin Popovich and John Maksimovich referred to him as a holy father of the Church. Perhaps his greatest contribution is his five essays on the main dogmas of the faith in which he demonstrates that the dogmas are not just abstractions, but the moral idea in each one of them has an impact and place in our daily lives.
