

After His Heart; The Foolish Womens Guide to Dating After Fifty

How many times does a woman have to watch a man blow his nose in his napkin, scratch himself in public or pee in a parking lot? More times than she cares to admit. That's what Kristine Holmgren discovered when, at fifty-years-old, she found herself once again single. Based on her horrific dating experiences when her husband left her for a younger woman, **AFTER HIS HEART: THE FOOLISH WOMANS GUIDE TO DATING AFTER FIFTY** explores the hope, hype and humor in dating older men. Her discoveries will make you laugh and shock you into submission to her command of language and her unflappable commitment to romance, no matter how old. Holmgrens essays first appeared in the Star Tribune and are republished by the Boston Globe, Los Angeles Times, Chicago Tribune, and Baltimore Sun. A frequent commentator for National Public Radios All Things Considered, Holmgrens has a national reputation as a sassy-pants feminist with a yearning for love. These short essays will charm and amaze you. And, if you have the courage, she might even inspire you to keep up the hunt.
