

If You Died Today, What Would You Want Your Child To Know?: A Fathers Book for His Daughter (But Dont Read This Until Youre 25 Kid!)

Tomorrow is not promised to any of us...We have heard that phrase time and time again, some of us leave our children money and a will with warm words but is that enough? I dont think so.This book is my goodbye to my daughter. If I died right now, then this is what I want my daughter to know, about me, the situation between her mom and I, as well as life. I am her father, and there is much she should know. So much... I also wrote this book for any child who wants knowledge, the fundamentals. The rules in this book never change. This book is for all youth and parents, as well as my daughter. I hope you can appreciate the humor in it, as well as the lessons throughout.Tomorrow is not promised to any of us, and children are the future of this world. If you died today, what would you want your child to know?
