

More Miracles from Mayhem: The Continuing Story of May Nicholson and the Preshal Trust (Biography)

In *Miracles from Mayhem* May Nicholson told the story of how she went from being a drunk no-hoper to establishing Preshal, a Christian trust based in one of the most needy areas of Glasgow. Preshal comes from the Gaelic word for precious, and Preshal aims to show those who come in that they are precious, whatever their circumstances, whatever their needs, whatever their addictions, whatever the state of their mental health. Opening *More Miracles from Mayhem* opens the door to Preshal and allows the reader to meet those who come through the door, both locals seeking friendship and support as well as members of the staff, several of whom have come up through the ranks. Those who tell their stories in *More Miracles from Mayhem* come from all sorts of backgrounds, from loving and Christian homes through to abusive and manipulative backgrounds to having no home at all, rather spending over 30 years in the care system. The book will move readers to tears, to laughter and to prayer. This book will give you new hope as you read of those who have come through terrible times and have found faith and hope.
