

Saga of The Diver - Volume One: Skeletons

Winner - Best Fiction - Pacific Book Awards 2015 Wealth, beauty and power. Why is it never enough? Jim and Lynn don't question it, they just want more. In particular, each other, as much they want Jim's wife, Teagan. Their simmering game of dominance takes a twist with the induction of Paul Schultz, a searching everyman and scuba instructor, into their circle. Paul wants more, but he's a rank amateur in a field of scheming professionals, and getting what he wants may well require the sacrifice of his soul. Who will get who? Who will win, and who will be punished for their sins? Who will learn, and who will be saved? Join author Holden Gerrig for a heart-pounding ride from the rainswept streets of Seattle to the sun-kissed shores of Cozumel, where secrets and lies will be dragged into the light and up to the surface, in the first book of the three-volume SAGA OF THE DIVER.
