

Diary of a Shanghai Showgirl: Raising the Red Curtain on China... Uncensored

Diary of a Shanghai Showgirl follows the true-life story of 23-year-old American, Miss Amelia, as she takes on the Communists and beats the odds to open China's first burlesque nightclub. Based on her personal diary, she exposes the details of her astonishing story - on stage and off - as well as eye-opening insights into what it's really like to live, love, and do business in China, set against the backdrop of forbidden cabaret and nightlife at its naughtiest.
