

## Upon Butterfly Wings

Heart pounding in my chest. Annoyances within my head and ears. Creaking, cracking, snapping sensations filling my head. Loud buzzing, whistling hammering my eardrums. Need to run. So wide-awake! Why cant I just sleep? For a schizophrenic, existence is merely foggy thoughts, jumbled pictures, and distorted scenes that leave you unsure where the realm of life truly is. It takes away all that is you. It destroys your soul. But there is a way out. Debi Erin is the first person to be fully recovered from the devastating disease of schizophrenia, and Upon Butterfly Wings is her true story of recovery, healing, and hope. Whether youre a medical professional, someone whose life has been affected by this disease, or merely an interested reader, you can enter into a mind of madness and relive the dreams, hear the prayers, investigate the research, and finally discover the cure! Freedom is within reach, and soon, like Debi, you will fly Upon Butterfly Wings.
