

Warning: Dont Try This at Home: 50 Dangerous and Nerve Racking Stunts to Avoid

Until now, there just hasnt been a book that passes down the inside information that everyone really needs and wants - namely, how to make marvelous mischief. Before now, the only way to learn rule-breaking behavior was to go directly to the expert pranksters and hope theyd reveal their secrets. But now its easy to commit random and silly acts of stupidity: just flip through this hilarious, idea-packed guide to everything naughty and disruptive! Warning! Dont Try This at Home shows you exactly how to short-sheet a bed, fake a UFO photo, stack a poker deck, light your own farts, drag race in the streets, cook up moonshine, and much more!Of course, no one advocates actually doingthese things (especially the illegal ones), but if youre going to go ahead and be a jack** anyway, why look like an amateur? Theres nothing more embarrassing than bungling your trick. And now you wont!
