

The Whiskey Barrel Murder: A Jonas Lauer Mystery

Things could not be going better for Sheriff Jonas Lauer. The crime rate in Monroe County, Tennessee has been at an all-time low and his relationship with attorney generals investigator Lydia Corbett couldnt be better. But as the saying goes: all good things must come to an end. The discovery of a skeleton inside a whiskey barrel opens up a forty-four year old bank robbery/murder case which quickly turns into a Pandoras Box for the young sheriff. As he sifts through the ice cold case, Jonas also has to investigate a serial flasher, who leaves his mark on the windows of the local businesses and deal with the most incompetent militia hes ever seen. Lydias ex-beau comes to town, stirring things up and when word gets out that the new owner of a local landmark, Isabel Lunsford, is a retired adult film star, Jonas has to keep one of the residents from trying to run her out of town. With the help of his team, Jonas will have to call on all of his skills to solve the case. Plus with an election year around the corner he must address the burning question everyones been asking him. Will he once again seek to be Monroe Countys high sheriff? Jesse Hester is a graduate of Monroe Countys Hiwassee College and the neighboring countys Tennessee Wesleyan College. He was fortunate to graduate from the National Forensic Academy in Knoxville, Tennessee. This opportunity lends tremendous authenticity to his writing. In his leisure time he enjoys reading and music. He plays the trumpet, alto saxophone, and piano. He resides in his beloved Monroe County and is currently working on his next Jonas Lauer novel.
