

Calling All Dentists (Calling All... Book 2)

Calling All Dentists is the second book from the Calling All... series. Emma Frey shares a flat with her friend and colleague Ruby, a geeky bookish romantic with a taste for Mills & Boon. Emma has a fear of the dentist which is becoming a real problem as her gums continue to recede, but she cannot face the thought of a visit to the dental practice. She much prefers to live by the saying, Ignorance is Bliss, which is really starting to worry Ruby. Meanwhile, preparations for Webbs DIY Store Christmas party are well under way and Emma has match-making plans for Ruby and another colleague, Pete, before embarking on her own love mission. Although Emma is reeling in shock from the outright cruelty inflicted upon her from one of her work colleagues, she tries to overcome the pain and ridicule and continues with her plan. Will Ruby and Pete discover a mutual attraction and can Emma win the heart of Webbs shop floor manager with her charms? More importantly, will Emma ever overcome her fear of dentists? Ignorance is never the answer...
