

Gabby: A Story of Courage and Hope

Arizona Congresswoman Gabrielle Giffords and her husband, astronaut Mark Kelly, were thrust into the world spotlight when Gabby miraculously survived an assassination attempt. Now, as her health continues to improve, the couple shares their story. Told in Marks voice and from Gabbys heart, this is an unflinching look at the challenges of brain injury, the responsibilities that fall to a loving spouse, and the healing power of deeply shared love and courage.
