God displays his miraculous healing powers and divine intervention, carrying a young boy through a childhood embattled with sexual abuse and alcoholism. Surviving the seemingly impossible, this child enters into adulthood carrying the scars of a war-torn soldier. In *Holy Spirit Unveiled: A Revelation in Gods Time*, Lawrence Phillips takes readers down his tumultuous path to discovering God. A career in law enforcement and high-risk protection subject him to dangerous riots along with partners participating in illegal drug activities in a violent and volatile working environment. Walking in deep depression and anger imbedded with confusion, hopelessness, and suicide, this young man recklessly spirals downward into dysfunctional relationships and self-destructive behavior. Spiritually exhausted from the death of his mother, disenfranchised from his family, and hurt by yet another broken romance, all hope seems gone. A one-on-one talk with the Lord one Friday night in the summer of 2006 is where the revelation would begin. Witness the transitional power of a man becoming intimately acquainted with God. *Holy Spirit Unveiled: A Revelation in Gods Time* is a story that will inspire the spiritually skeptical and reignite the fire for God in all of us.
