

Paw and Order (Paw Enforcement)

After capturing the notorious Fort Worth Tunabomber, Megan and Brigit are practically celebrities. Which is why the police chief lassoed them into doing rodeo duty—mostly as a public relations stunt for the department. Megan's not a fan of calf roping, bull riding, or goat milking contests. But when a thief appears to be working the circuit, her trusty K-9 partner starts sniffing for clues . . . The culprit is Robin Hood, a young Texas golddigger who steals from the rich to give to the poor—namely, herself. With Brigit hot on the trail, Megan has to juggle her on-again off-again reputation in the FWPD with her on-again off-again relationship with sexy bomb-squader Seth Rutledge. This time, Megan is determined to rope in her suspect and her man . . . before chaos, and/or her trusted furry partner, is unleashed.
