

Out of the Desert: A Story of Palestine, Ploesti and Beyond

The daring low level mission to the oil refineries of Ploesti has long been considered as one of the most significant missions of World War II. The allies were determined to annihilate the very source of the fuel which fed the German war machine. In *Out of the Desert*, a distinguished veteran of the 98th Bomb Group, John Blundell, provides not only an insiders point of view on the mission, but also compelling photos of the heroes and hardships faced by Americas Force for Freedom -- the 98th Bomb Group.
