

## Arlene Dahl Paper Dolls

In the 1950s, one star was high in the Hollywood firmament and hailed as the most beautiful woman on the screen. That was Arlene Dahl whose flaming tresses, creamy complexion and signature beauty mark were nothing short of breathtaking. Created in collaboration with Miss Dahl, paper doll artist Norma Lu Meehan has illustrated 2 dolls and a beautiful wardrobe of costumes from *My Wild Irish Rose*, *Journey to the Center of the Earth*, *Sangaree*, *Slightly Scarlett*, *Three Little Words* and others. Also included is the Helen Rose designed bridal gown worn by Arlene in her wedding to Lex Barker in 1951, as well as several lovely lingerie items designed by Miss Dahl herself.
