

This Too Will Pass

God has taught me that unless I was healed, my intercessory prayers for my neighbors, friends, and family, would not be effective. This Too Will Pass is the result of all that God had done for me. For those who are wounded, lost, and feel alone, I hope this will lead you to the healing that our Lord Jesus Christ has provided through the cross. By accepting Gods restoration in your life, your intercessory prayers can become powerful and effective. You then, can pass along what you have experienced to enrich others. - Pastor Sun Fannin From the Preface of This Too Will Pass
