

## Sherlock Holmes: The Naked Truth

Hallelujah! The truth about that fabulously immortal old icon Sherlock Holmes is about to be unveiled here, thanks to recent corrective repairs to his old residence at 22-B Baker Street in London., which brought to light, like the Dead Sea Scrolls, his notes, papers, memoranda and other evidence, revealing the fraudulence of the up-to-now accepted account by the pot-boiling Irish scribbler Arthur Conan Doyle, who struck it rich and won himself a knighthood by attributing a false character and events to a very real person who was in actuality the complete opposite in every way of the portrait painted by Doyle. But now, at long last, the true picture of the man and his life are presented to you here for your edification and entertainment. Enjoy!
