

Mel Bay Complete Piano Photo Chords

Included are hundreds of photos depicting all the chords today's pianist/keyboardist will ever need to know; each shown in the left hand, except where two hands are necessary. Also supplied are a useful graphic which illustrates the location of the notes, a list of note names and the most commonly used chord symbol. Chords are listed by the circle of fifths. A listing of alternate chord names/symbols is also provided. Perfect for any level and a must-have for any keyboardists library!
