

Murder at the Cubbyhole

This clever tale is the eighth in Alice Zoggs R. A. Huber Mystery Series. Who killed the aspiring young actress, Megan Maguire, and just as importantly, why? Megans parents hire R. A. Huber to find out. The seasoned sleuth and her spunky assistant Andi set about to unravel the obscure reason for the murder. The young victims short life had revolved around an amateur theater group where she had played the lead character role of Vanity in the play From Sin to Virtue. Among the murder suspects are the young womans roommate, her employer, the owners of the Cubbyhole Theater, her acting instructor, and several of her fellow cast members, including the director. There is also Megans old boyfriend to consider, and the investigating pair cannot rule out her parents. Gradually, the mystery evolves and comes to a climax when Huber and Andi put their own lives on the line in order to corner the villain.
