

My Muscle Builder Book 5: Piano Technique for Young Beginners (My Muscle Builder Books: Piano Technique for Young Beginners) (Volume 5)

My Muscle Builder Books are illustrated, step-by-step piano technique booklets designed to help even your youngest students learn correct piano techniques and become fluent in playing chords and scales all over the keyboard. Emphasis is placed on playing the exercises with a musical purpose, and many articulations and techniques are introduced. Each scale or exercise is clearly illustrated using colorful circles on a keyboard, making it possible for young students to use the books beginning at their very first lesson! The booklets are fun and colorful and include spaces to pass off each exercise with a sticker. These booklets will give students a sound foundation in their piano technique and their understanding of keyboard fundamentals. Concepts in Book 5: Basic scale fingering pattern Smooth scale fingering techniques White key major scales, two octaves, hands alone White key minor triads, review Simple minor arpeggios with pedal, dynamics One-octave major black key arpeggios, hands alone
