

## No Longer Innocent

Kimberly was raised in a middle class neighborhood near Oak Park Illinois having everything she ever wanted. A family tragedy occurred turning her life upside down, the impact of her mother being murdered by someone she truly loved forced her to flee the city. Kimberly had to learn how to survive life's struggles while living with her uncle. She found out later that the punishment she tried escaping resided in the home that she dwelled in. Kimberly became friends with a group and together they took the city by storm. Just as she thinks life is becoming better more problems begin to arise, she had to choose between friends or the new life.
