

Dawns Early Light: The New Detective Macaulay Thriller

THE NEW DETECTIVE MACAULAY THRILLER They came to bury their dead. New Yorks Police Department say goodbye to four personnel, all gunned down in separate shootings by an unknown assailant. But why is he taunting Macaulay? The nature of the clues he leaves for her are vividly disturbing; with Macaulay signing up for sessions with the NYPDs psychologist when her violent anxiety attacks return. FBI Supervisory Special Agent Benson is in serious trouble when a heavily redacted personnel jacket goes missing hours after he meets with FBI Director Dunkirk. Benson was the last person in Dunkirks office the night the jacket disappeared, but he denies all knowledge of its location. Who does the jacket belong to and what devastating secret is inside it? As the shots ring out in the hours before dawn, two of New Yorks finest are dead. Is Macaulay connected to the killer? Nine more will die unless she finds out fast.
