

Bonnies Ramblings & Buds Memories

Bonnies Ramblings... is a historical biography wonderfully shared as a story. Often hilarious, Bonnie's talent as an author shines as she also brings home the reality of just how much America's military families sacrifice for our precious freedom. Bud, tells his story quite well too...Right to the point and superbly written. Thank you both for your 30+ years of dedication to the United States of America. Dari Bradley Author of The Politics of Angels & Hickory Nuts in the Driveway
