

Learn HTML in One Hour

You can download this ebook from the KDP forum: kdp.amazon.com/community/message.jspa?messageID=577379#577379 This manual teaches the basics of HTML in relation to the design of ebooks, but you can apply this knowledge to web design or any other field. The hardest part is grasping the basics, and this is exactly what this manual will help you to do.
