Want to improve your recall and retention from lessons and self study? You can use this 8.5x11 notebook to take notes with the Cornell Notes method. The Cornell method provides a systematic format for condensing, organizing and recording notes. The Cornell Notes method was created so you can take more effective notes in class or while studying yourself. You can use them for any subject and you will soon realize how the system is great for helping you recall and learn the topic well. In the Notes section of the page you take notes while in the Cue column you select key words or questions that will best help you remember the information. In the Summary section you add a concise summary of the notes you have taken. A guide to using the Cornell Notes method is included on the first page of the Spicy Journals notebook. Part of the Live Life to the Full Notebook not Ebook series with cover design by annumar - #LIVELIFETOTHEFULL - Life is Beauty. Admire it! on a green cover.
