

## Edgar and Lenore

Edgar Allan Poe, in his time, was a rock star poet. Artists and musicians in history, like Jim Morrison, Janis Joplin, Van Gogh and Jimi Hendrix were genius at their craft. Historians have struggled with who Edgar really was and how he died. He was murdered. Assassinated. Any time Edgar had money he would go out and buy drink and drugs. He was often depressed. His wife and so many women and people he loved had died. But, Edgar did not just write a few dozen poems and stories. He wrote hundreds. And now, millions of people around the world love and praise his writings. But who was he? Who would want to murder him? And why? Now, a troubled ghost appears in the last few days of his life. Her heart is black with revenge in her soul because God let her die so young. Now, the killers must suffer. At the hands of the ghost, of Lenore.
