

Sport Studies (Active Learning in Sport Series)

This is an accessible and comprehensive introductory textbook for all those on Sport Studies courses. It brings together perspectives drawn from a range of disciplines, especially sociology, history and philosophy, with detailed information on the key political, legal, economic and vocational issues relating to sport. The text, which is purpose-written for students based in the UK, examines the full range of topics relevant to Sport Studies and is fully supported with learning activities, suggestions for further study, and guidance on how to progress and succeed in the subject.
