

## Drinking of Grace (Journey of Grace Book 3)

Emma had been set free of her life of rebellion, but surrendering to God doesn't free her life from pain and betrayal. In her third book, Emma shares the story of how she poured herself into the growth of a new business, only to have it systematically taken away through greed and deception. In this memoir, Emma honestly admits her struggles as she's torn between resentment and the forgiving work of God in her heart. Moving between personal storytelling and Biblical reflection, *Drinking of Grace* is a book that paints an honest picture of what God's grace can look like in a broken world.
