

## Behind the Man Behind the Badge: They always said to me, And what did you do?

Behind the Man Behind the Badge is a collection of short stories recounting what I did as the wife of a Special Agent in the Naval Criminal Investigative Service. Or, as the world knows it today---NCIS. A special agents job is not only very demanding but at times the cases are extremely sensitive and secretive. So, as a wife living in this environment, I had to find my own way in each new country where we were assigned. Since, NCIS is attached to various military offices in each country, many of the stories involve activities with both American and foreign military personnel. I also explain how I had to adjust to military life as a civilian, one who had never been exposed to military life before. When my husband retired and we finally returned to the United States, friends and relatives would listen to my husbands intriguing tales of adventure. Then invariably they would turn to me and say, And what did you do? Occasionally, I would have the chance to tell one of my favorite stories. But before long they were eagerly asking my husband to tell them another story of intrigue. My own tales of intrigue, though none of them are super-secret types, cover---The Week I Went to War, To Sir With Love, My Nights in the Brothel, One for the Grinch, Modern Conveniences, Titillating Tidbits---just to name a few. The stories are written with subtle humor, compassion, and honesty, and relate my adventures of living in foreign countries. So, now, this is my way of telling what it was really like, Behind the Man Behind the Badge.
