

On Location: Cities of the World in Film

Many movies are synonymous with the locations where they were filmed. On Location is a lighthearted, round-the-world tour of famous movies so you, too, can go on location. Exact addresses, review-style essays and city maps take you there, whether on a Harry Potter tour of London, a Breakfast at Tiffanys trip to New York, or a jaunt to the Rome nightclub where Matt Damon and Jude Law partied in The Talented Mr. Ripley. This richly illustrated volume with a foreword by director Wim Wenders presents 18 cities and their world-famous films: from Los Angeles to Paris, Beijing, Sydney, Prague, Berlin and much more. A peek behind the scenes of numerous famous locations.
