

The Norwich Murders

There's a serial killer stalking the streets of Norwich and it's the job of DCI Price (known to his colleagues as Ketch), to unmask him. Although there's not much in the way of forensic evidence, Ketch believes that killer is a religious maniac. Plagued by alcoholism and melancholia, Ketch struggles to keep pace as the killer's body count slowly rises. A fast-paced and atmospheric crime thriller set against the backdrop of an ancient city.
