

Satire (Little Red, Dassie vs. Terry Pin, Hans and Gretchen Book 1)

Quasi realistically portrayed satirical glimpses of a few of your favorite childhood stories. What more do I need to say? You can either buy this book, or take your dollar and buy cookies from the vending machine. One is a magical comfort food. The other may make you laugh and be a great conversation starter with your friends. Fair enough, I cant compete with such tasty goodness, BUT you are already reading this description and how close are you to a vending machine?
