

## Now that I Am Saved . . . What Next?: Go to the Next Level

To the readers: The biggest need for Jesus can be seen in the tragic ordeal that occurred with the Tsunami. Over 100,000 people destroyed. The Bible says that, Its the thief that comes not, but to steal, kill and destroy in the lives of people, but Jesus came that we have life and have it more abundantly. Jn10:10 In that area, right before the 60ft wave came, there were two boats just off the coast and a 30ft wave was coming to devour one. The other boat had a Holy Ghost filled, believer on board, that spoke to the wave, just like Jesus and the wave dropped. Most Muslims and Buddhist, if they acknowledge Jesus at all, look at Him as a prophet only. They do not believe Gods Word, that Jesus is the Son of God and Savior of the world. The Word says, He that comes to God must believe that He is (God), and a rewarder of them that diligently seek Him. Heb11:6. You cannot call God a liar and think that you are under His protective arch of safety. In contrast, look how many Christians were supposed to be killed in the World Trade Center attack. But there are countless testimonies of Gods leadership, interference and prevention of lives lost in the fall. Over 100,000 people should have been in that area, on that day, but less than 3000 were killed. Choose you this day whom you will serve, whether it be Jesus the redeemer, Strong Tower, Deliverer, the Almighty God or the death, dumb, blind and sleeping idol of the worlds religion, that have not the power to save. As for me and my house, were going to serve the Lord Jesus. In Christian love, Vanessa
