

And Angels May Fall (D I Donna Proud. Book 1)

TAKE A LOOK INSIDE. ITS THE HOTTEST, NEWEST, BRITISH CRIME FICTION! This is the debut novel of Steven Teasdale. He has an insiders flare for defining a character and unravelling the murkier side of human nature. Crime Fiction, Murders, Whodunnits, Police Procedural, and hard boiled action are the authors stock in trade. In this, his first DI Proud novel, he delves into the murky world of gangland crime, murder and corruption. Newly promoted to Inspector, Donna Proud is drawn into an investigation that threatens to destroy her fledgling career. The Grist gang run drugs, girls and gambling, and seem impervious to rule of law. Donna begins to suspect they have inside protection as she tries to unravel a cold murder case and pin it on the infamous Grist twins. Johnny is the organizer and is planning the biggest drug deal ever seen this side of the Atlantic. He runs his set up like a small army with the help of an ex SAS man. Brother Kyle is a twisted psychopath who has scorned medication and is being eaten away by his inner voices. Voices that whisper about deception, murder and revenge. Donnas town is at their mercy and with a few trusted men and a mysterious clue from the past she sets out to restore order and the rule of law. To achieve her aims she finds herself treading the tightrope between right and wrong. Can she bend the law to find true justice? Will her actions place her outside the fold and ruin her career? Good doesnt always triumph over evil and even Angels may fall! READ A SAMPLE CHAPTER BEFORE BUYING
