

## Memoir of the Rev. John James Weitbrecht (Classic Reprint)

Excerpt from Memoir of the Rev. John James Weitbrecht For many reasons, a few preparatory words from my pen seem in place, as a brief introduction to this condensed Memoir of one whom I am privileged to call my father-in-law. Personally speaking, I gladly confess that at a former period of my life, the perusal of the original volume greatly contributed to the issue which led to my intimate relationship with his family, believing as I then did, and still do most decidedly, that the blessing of a father, whose life was spent with apostolic faithfulness in his Masters service, must be the best inheritance for his children. Again, it has been my privilege to hear from many a reader of the English and German editions - especially from clergymen - that the shining example of this true-hearted labourer amongst Christians as well as heathens, has urged them to greater zeal for Gods work, both in its prosecution at home, and in its furtherance abroad.
