

Travelling in and Painting Shanghai (Chinese Edition)

The book highlights the character of readability and worth watching. The reading part includes history, scenery, culture, life, and world expo. The writer introduces Shanghai customs from political and art aspects, which impresses people deeply; the watching part is about pictures. The book collects 256 pieces of pen pastel painting majored in realism style, depicting beautiful scenery of Shanghai from Nature and humanity. It is an useful book for people knowing and understanding Shanghai.
