

## Time Done Been Wont Be No More

Time Done Been Wont Be No More: Collected Prose by William Gay is a collection of short stories, essays, memoirs, and an interview. Gay is well known for his fiction but he is also widely published with his essays, mostly dealing with music, and his memoirs. This is the first collection that includes his nonfiction prose. The elegant use of language that his readers have come to expect is as evident in his collected prose as it is in his novels.
